Virtual Celebration

Wednesday, June 9, 2021
12 noon CST

The American Heart Association's Virtual LGBT Pride Event is Back!

We had such a blast last year that we thought we'd do it again, save the date for our second annual Virtual Pride Event.

We are still unsure whether Pride events will happen this June, so we've developed a great program for you hosted by San Francisco drag performer Mutha Chucka with special performances by singer, pianist, actress, TV host and producer Ann Hampton Callaway and LGBT mariachi band Mariachi Arcoiris de Los Angeles.

Plus there will be a special keynote from Assistant Secretary for Health for the U.S. Department of Health and Human Services (HHS) Dr. Rachel L. Levine.

Join us on Wednesday, June 9, at 12 noon (CST), to honor and commemorate Pride Month and our LGBT community and allies.

Funds raised from the Virtual Pride Event will support the American Heart Association's efforts to ensure health equity for all and to be a relentless force for a world of longer, healthier lives.
